

A NEW APPROACH TO OUR PARKS AND STREETS

Our parks are vital parts of our local environment. The current council has not done enough to maintain our parks, streets and footpaths.

Our parks must be well maintained, clean and safe.

IF ELECTED, LOCAL LABOR CANDIDATES WILL:

- ✓ invest in our parks as a top priority,
- ✓ put a shade cloth over every children's playground,
- ✓ make sure public toilets are clean and available in our parks,
- ✓ fix the footpaths so they are accessible to all,
- ✓ remove graffiti and fix playgrounds in a timely manner and
- ✓ improve dressing sheds and drainage issue at our sportsgrounds.

Under Labor the Council won the Award for best council in NSW in 2003.

In 4 short years the current Greens dominated council is now listed as financially unsustainable.

Poor financial management means that Council is not providing the basic council services that local residents deserve.

It's time for Marrickville Council to get back to basics.
